Energica: new commercial agreement in Denmark

Modena, January 13, 2022

Energica Motor Company, leading company of high-performing electric motorcycle and FIM Enel MotoE World Cup single manufacturer, signed new commercial agreement in Scandinavia with **Gleerup Leasing A/S**.

The new importer is located in **Denmark** and represents an excellent opportunity for Energica network development. Denmark has 5.500 public charging stations across the country, showing itself ready for the electric revolution.

*“We are very excited about this agreement, and we can’t wait to find out what will happen in 2022!” - Says **Jimmy Gleerup, Gleerup Leasing A/S CEO** – “In 2020, 16,4% of all registered cars were electric, and the number is growing. For this reason is important to increase also the offer of electric motorcycles, and Energica represent the best solution for our selective customers.”*

In Scandinavia electric mobility is a consolidated reality that grows every year. The Danish government supports the green revolution and encourages people to buy new electric vehicles. Denmark wants to be a leading example of green mobility.

*“The new agreement with **Gleerup Leasing A/S** represents for us an important step in the development of the distribution network in Scandinavia”. Says **Giacomo Leone, Energica Sales & Field Marketing Director**. “This country has soon understood the advantages of e-mobility, and we are convinced that the best condition exists for a mutual growth with Gleerup Leasing A/S.*
